

## **FCC ISSUES REPORT 4<sup>th</sup> QUARTER 2006**

October, November, December

Telemundo KBLR TV 39 Las Vegas

### **October 2006**

#### **ISSUE: ID THEFT**

**Program:** Conteo de Noticias **Date:** 10/03/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** ID Theft is growing in Nevada at an alarming rate, it is estimated that a new ID theft occurs every 79 seconds, and 10 million people are currently affected by this. The Senate is pushing for more severe laws and effective punishments, since currently fines are too condescending and people are getting away with just a slap on the wrist.

#### **ISSUE: MCCARRAN DRILL**

**Program:** Conteo de Noticias **Date:** 10/04/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** Law Enforcement agencies and officials are conducting drills on the McCarran airport to measure how effective the response on rescue personnel is in case of emergencies and disasters.

The AFA requires all airports to conduct these drills every 3 years.

### **November 2006**

#### **ISSUE: NAL WEEK**

**Program:** Conteo de Noticias **Date:** 11/27/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** Flu season is here, and experts explain the measurements people need to take to avoid being contracted with the virus.

Flu shots are already available for inoculation.

Statistics show that %5 to 20% of the population is infected with flu every year, 36,000 people die from it and other 200,000 are hospitalized.

#### **ISSUE: NEW PASSPORT REGULATION**

**Program:** Conteo de Noticias **Date:** 11/28/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** Starting January 23, a new law dictates that US citizens will need passports to enter back in to the States.

Before, citizens only need a form of ID such as a driver's license.

This new law is in an effort to reduce ID theft and Fraud.

Local officials are urging people to go to postal offices and get their passports since the expediting takes time and this is to prevent last minute travels inconveniences.

#### **ISSUE: INTERNET RISKS**

**Program:** Conteo de Noticias **Date:** 11/29/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** As technology swiftly advances, so are the risks and vulnerability associated with it, especially if people are not careful.

Cyber Predators is growing at an alarming rate and most people do not realize their kids are in danger.

These predators log in to chat rooms where most teenagers are and pass themselves as one, looking for friendship and hiding their true intents.  
There are signals that your children display that might indicate they are falling prey.  
Parents must have constant supervision when their kids are logged into the computer and can also place restrictions in certain systems.

## **December 2006**

### **ISSUE: NATURAL GAS SAVINGS**

**Program:** Conteo de Noticias **Date:** 12/01/06 **Time:** 6pm & 11pm **Segment:** 1  
**Description:** South West Gas is starting an initiative to help people save gas in these cold weathers.  
Part of the program is starting an assistance that will help people with more insulating systems, minor repairs in their homes, etc.  
Professionals will be sent to do houses inspections upon requests.

### **ISSUE: GRAND PRIX**

**Program:** Conteo de Noticias **Date:** 12/11/06 **Time:** 6pm & 11pm **Segment:** 1  
**Description:** The Grand Prix event is here, and demonstration are being done to officially start.  
The event that will take place in Downtown Las Vegas is heavily advertising in an effort to boost tourism revenue and will be coordinated with concerts and boxing events.  
The event estimates to bring in at least 250 thousand visitors and it's working on a 5-year contract with the City.

### **ISSUE: BENEFITS DENIAL**

**Program:** Conteo de Noticias **Date:** 12/12/06 **Time:** 6pm & 11pm **Segment:** 1  
**Description:** Assemblyman Ty Cobs is proposing a legislation to deny benefits to people with illegal immigration status.  
The bill proposes the denial of grants for scholarships once they have finished school, school education is a given right to everyone no matter their legal status.  
This is a similar law that passed in Colorado in July that denies unemployment benefits and housing assistants to illegal migrants.

### **ISSUE: TEACHERS AND GUNS**

**Program:** Conteo de Noticias **Date:** 12/15/06 **Time:** 6pm & 11pm **Segment:** 1  
**Description:** Senator Bob Beers is suggesting a new proposal that will give teachers the right to carry guns in schools.  
He believes that training teachers the proper way will help keep schools safer and stop crime.  
Schools leaders and community is strongly opposing to this message, it is sending the wrong signal to students as looking for a role model and it will most likely have fatal consequences if fights amongst teachers and students break.  
School officials are urging alternative programs to help understand reasons being teenage and school violence and need to involve parents as well.

### **ISSUE: ANNUAL TREE RECYCLING**

**Program:** Conteo de Noticias **Date:** 12/16/06 **Time:** 6pm & 11pm **Segment:** 1

**Description:** The Spring Reserve is sponsoring the annual Christmas tree recycle month. People with natural pine trees can take them to a recycling location at no cost, the trees will be transformed into an organic cover rich in nutrients that is destined to soil the parks and recreation areas and is important for flower and grass health.

It was reported that in Nevada, 250,000 are sold annually and only 3% of it is being recycled.
